Notification of changes to Product Availability Days

July 2023

Dear Customer,

The bakery has recently undergone a review of our current weekend Production schedules, and in order to help us streamline costs, we are unfortunately having to reduce the number of speciality lines that we make on a Sunday, for Monday deliveries. And we have also amended a few Speciality lines to Saturday only availability.

Please find a list of the affected lines below, with their new available delivery days. This change will take effect from Monday 31st July. These items will be deleted from non-available delivery days on any current standing orders from this date, so please contact us to amend your orders if needed.

Yours Sincerely,
